

How it works

1 Mint All Access Pass

On or after mint day (July 8, 2022), use the dashboard on our website to connect your MetaMask wallet and mint your DBAG All Access Pass(es).

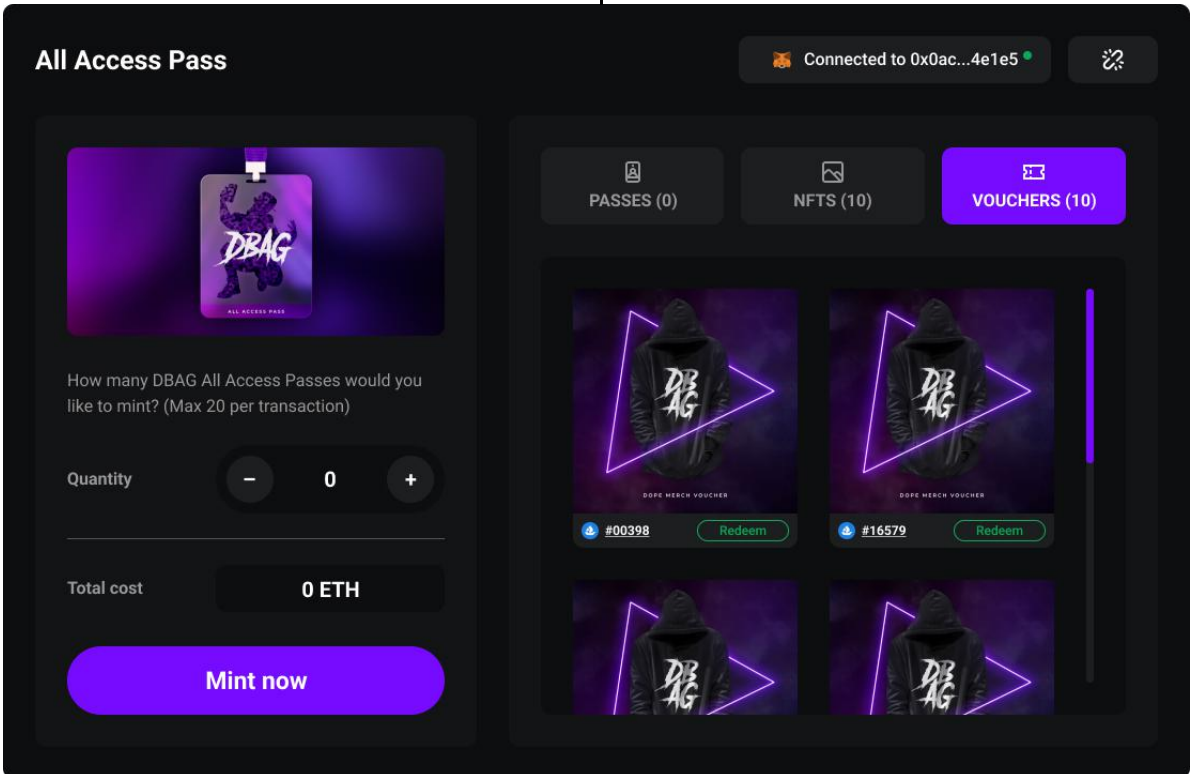

2 Redeem All Access Pass

On or after redemption day (TBD), use the dashboard on our website to connect your MetaMask wallet and redeem your All Access Pass(es) for your DBAG NFT(s) and Dope DBAG merch voucher(s).

3 Redeem Dope Merch

On or after redemption day (TBD), use the dashboard on our website to connect your MetaMask wallet and redeem your Dope DBAG merch voucher(s) for real life merch.

4 Stake DBAG

Upon the release of our MintAndTrade platform, stake your DBAG NFT to be granted voting rights and eligibility for the 5% minting fees airdrop.
